Re: *Abbott Laboratories v. H&H Wholesale Services, Inc., et al.*
17 Civ. 3095-CBA-LB

Dear Judge Bloom:

We represent defendants H&H Wholesale Services Inc., Howard Goldman, and David Gulas (collectively "H&H"). A phone conference is scheduled for tomorrow at 12 pm on H&H's discovery motions. (Dkt. 115)

This letter is to request that the conference be recorded by a Court reporter.

The issues raised by H&H's motion are of significant importance to its defense. In our experience, the transcripts from the audio recordings often contain many mistakes in transcription. It is important that the Court's proceedings be recorded in the most accurate fashion possible. We accordingly request that a Court reporter be present.

Respectfully Submitted,

Tal S. Benschar
